

# Design your own Presentation

## Task:

This task is to design a presentation using a subject of your choice please choose sensibly (your favourite sport/ sports person, music artist etc.)

-  Your presentation needs to have at least 8 slides.
-  You will need to set up a master slide to format the background font sizes, styles, colours etc. You need to use at least two levels of bullets. It needs to include your name and centre number automatic date and slide number.
-  The presentation needs to have at least one image. (This doesn't have to be on the master slide if you don't want it to be).
-  If possible insert a table, graph or chart suitable for your presentation.
-  Choose a slide transition and timings' suitable for your presentation.
-  You will need to print out your presentation as handouts, slides and an outline view.
-  Please save your presentation as a power point show, with a suitable filename.
-  You can email me your presentation to my email address. Any question feel free to drop me an email with any questions.
