Your responsibilities as a parent

By law, all children of compulsory school age must receive a suitable full-time education. As a parent, you have a legal responsibility to make sure this happens - Once your child is registered at a school, you are legally responsible for making sure they attend regularly.

Your child is registered at **CEDARS Short Stay School**.

Please contact us if you have any problems supporting your child to attend school.

The Importance of regular school attendance

The council wants all children to have the best possible attendance at school to enable each and every child to reach their full potential.

There is a strong link between good school attendance and achieving good results for children. Children who frequently miss school may fall behind in their work which may affect their future prospects.

Good school attendance also shows future employers that a young person is reliable, more likely to achieve well and play a positive role in their community.

Young people who are frequently absent from school are more likely to become involved in, or be a victim of crime and anti-social behaviour.
